Dear Student,

Thank you for your interest in the Specialization in Supply Chain Management (SCM). Supply chain is an exciting and dynamic field, and supply chain talent is in high demand from many employers across a variety of industries. In an effort to prepare students who are competent supply chain professionals and leaders, we have established a set of program requirements that all students must complete in order to graduate with the SCM specialization designation. Requirements are as follows:

Pre-Application Requirements:

1. Meet with a professional career advisor in the BBA Advising Center for a resume review.
2. After your resume has been reviewed, upload the revised copy to BuckyNet.
3. Include the SCM designation on your BuckyNet profile.
4. Complete the attached application and schedule an appointment with Danielle Zink danielle.zink@wisc.edu for review. **Be sure to read the application carefully and complete all portions before scheduling an appointment.**

SCM Specialization Student Requirements:

1. Complete the required SCM coursework
2. Update resume each year and upload to BuckyNet.
3. Attend monthly specialization meetings (as available)
4. Attend a minimum of two SCM applied learning events each semester
5. Report all internship and job offers to the Grainger Center via the Internship and Job Reporting Form, located at [http://bus.wisc.edu/bba/academics/majors/supply-chain-management](http://bus.wisc.edu/bba/academics/majors/supply-chain-management).
6. Review and update contact information each fall semester, and report any mid-year contact information changes

Upon Graduation:

1. Provide post-graduation personal and professional contact information

Should you have any questions about the Specialization in Supply Chain Management or the aforementioned requirements, please contact Grainger Center staff in 3450 Grainger Hall or by phone (608-262-0710).
